PRODUCT

How to use

Glass and Mirror Cleaning

- Spray directly onto surface and buff up with a paper towel or screwed up newspaper.

Surface Cleaning

- Spray directly onto the surface to be cleaned and wipe off with a cloth. Allow to soak onto stains and stubborn food residues before wiping off. Also removes hard water deposits and tide marks from baths, sinks and toilets.

Laundry Stain Removal

- Spray directly onto collars, cuffs and shirt under arms and allow to soak for at least 30 minutes, then wash in the normal way.

How it is promoted

- Perfume and surfactant free.
- Bottle contains recycled plastic.
- For cleaning, laundry, and descaling.

Warnings

- Do not use on frosted glass or leaded windows. Do not apply to metal plated surfaces such as gold-plated taps as the plating may be removed. Do not use on natural limestone or marble. If in doubt, test fabrics and surfaces in inconspicuous area first.
- Not for human consumption.
- Keep out of the reach of children.
- Users with sensitive skin should wear gloves. Store in a cool, dry place.
