PRODUCT

How to use

- Apply directly to surfaces and wipe with a damp cloth; rinse cloth and wipe clean.
- If requires, buff to a shine with a clean dry cloth.
- For stubborn stains, leave bicarb cream to dwell for 5 minutes before wiping.

How it is promoted

- The gentle but effective cleaning power of Bicarbonate of Soda in a handy liquid format. Mildly abrasive, with a cream like consistency, it is ideal for sinks, baths, cooker hobs, and other surfaces around the home. A little goes a long way.

Warnings

- Ensure that cooker hobs are cool before cleaning.
- Do not use on leather.
- Users with sensitive skin should wear gloves. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label.
- Keep out of reach of children.
