PRODUCT

How to use

- Just pour generously under a running tap and allow salts to gently cleanse your skin.

How it is promoted

- Sourced from the foothills of the Himalayas, this salt is packed with sodium chloride and other minerals giving it a distinctive pink colour. These unique salts have been used for thousands of years, as a mineral rich bath soak.
- Tara bath salts have no added colours, fragrance, or additives... just salt!

Warnings

- Keep out of reach of children.
- Not to be taken internally
